WNTC Broadcasts Season's First Game

For those of you who are unable to attend the big game tonight, why not tune in to WNTC, your campus radio station, and listen to the play by play broadcast of the game, done by Bob Courtemanche, ace sportscaster, and Verne Brooks. The game will go on the air at 8:05 P.M.

If you just can't get to the game tonight, listen to this free broadcast, done by two of our own boys.
